GETTING THE BEST

PolyStretch® *Blu.*

- ✓ **7-layer premium film:** Best wrapping quality and perfect bale sealing
- ✓ **Extra length of 1,750 m per roll:** Reduces roll changes and saves time and costs
- ✓ **15 months UV stability:** Guarantees protection in all weather conditions and prolonged storage
- ✓ **Excellent adhesive strength:** For perfect adhesion and weatherproof sealing
- ✓ **Uniform wrapping and high puncture resistance:** Prevents tears and ensures a clean bale appearance
- ✓ **More efficient work:** Fewer roll changes means fewer interruptions and higher productivity
- ✓ **Exclusive color:** Your sign of top quality and professionalism
- ✓ **Reliable quality:** For tight wrapping and optimum crop protection - even in demanding conditions

0,75 m x 1.750 m • 40 rolls/pallet
