

Plavanda®

***Professionalism that you can see –
Premium quality that impresses.***

lavanda[®] – the premium agricultural stretch film

- ✓ **Heavy-duty 7-layer construction:** For exceptional durability and maximum bale protection
- ✓ **15 months UV stability:** Long-term storage without quality loss – even under in extreme conditions
- ✓ **Virgin-grade premium quality:** For consistently high tear resistance and adhesive strength – without compromise
- ✓ **Elastic stretchability:** For a tight and even wrapping, even under difficult conditions such as alpine and mountain regions
- ✓ **Perfect adhesion and easy unrolling:** For efficient and comfortable work operations
- ✓ **Soft lavender color:** Eye-catcher in the field, a professional sign of quality
