

# Zill side wall clamps for silos

- ✓ **TIME SAVING:** sidewall film can be hung up by one person
- ✓ **SAFETY:** film remains undamaged due to rounded edges
- ✓ **EFFICIENT WORK:** The spring construction ensures a firm hold and prevents the film from blowing up
- ✓ **PRACTICAL:** Keeps the film on the wall during filling
- ✓ **LONG SERVICE LIFE** due to high-quality stainless steel

Easy and  
quick to install  
  
Easy to remove  
again after  
use

Length: approx. 70 cm

For wall thicknesses  
of 7 to 15 cm
