THE SILENT REVOLUTION

The agricultural stretch film with quiet handling and strong performance.

- ✓ **Low-noise application:** Pleasant to use and quiet in operation.
- ✓ **Clean application without adhesive residues on the rollers:** Ensures smooth running and greater convenience in everyday use.
- ✓ **15 months of UV stability:** Provides a high level of safety even under demanding weather conditions.
- ✓ **Light, fresh green colour:** Modern, friendly and distinctive.
- ✓ **Improved reflective properties:** Helps reduce heat build-up on the film surface when exposed to sunlight.
- ✓ **Proven quality, continuously refined:** A film that combines performance, processing quality and reliability in a convincing way.
