

200 μm

lila

**The combination of the advantages of
sun reflection and sun blocking**

**Strongest
black & white
classic!**

- ✓ **200 µm** – Our strongest for all cases
- ✓ **12 months UV-stable** – 12 months best technical properties
- ✓ **Black and white side** – Combination of the advantages of sun reflection (white side reduces heating) and sun blocking (black side offers high UV protection)
